## About Preevyet

### - Who we are ?

Preevyet is licensed company since June 2020 and we are specialized in helping students to get acceptance in Russian universities and supporting them after arrival with many services starting from airport pick-up , finishing all documents , contracts , and following up with our students.

\* Preevyet company is licensed by General Authority of Investment ( Commercial registration no. 150321 ) and the company is based in Egypt.

### Our team :

Preevyet team has a diversity of experiences in translation , communications and Russian universities admissions and other processes over than 4 years.

Our team is a combination between Arab and Russian members and we speak English , Arabic , Russian and French.

### Our story :

Starting from 2017 we were students in different Russian universities and we've noticed that foreign students in Russia were facing several difficulties as they weren't aware enough of admission process , regulations , Russian language or official interactions with universities or Government. So, we have been dedicated to help them to gain stability and overcome all challenges.

We helped tens of foreign students from different countries that made us gain a lot of experiences in helping students so, we gathered all of these experiences and services to students and provided it in our website :

[www.preevyet.com](http://www.preevyet.com) earlier in 2020 to help max. number of students.

Then we established Preevyet company by June 2020.

### What does " Preevyet " means ?

" Preevyet " is the most common Russian word and it means : Hi / Hello !

# Our Services

**Preevyet** empowers their students with different ways of support and services. Starting from consultancy , providing university acceptance , Visa support and after arrival services. We can separate our services to 4 categories:

**A: Providing Acceptance:** We provide acceptance for our students in over than 50 universities in +10 Russian cities and we do every required step like translation correspondence and following up then we send the invitation to the student. We guarantee the acceptance for up to 3 universities chosen by students and we help our students to choose between universities.

**B: Before traveling preparation:** We empower our students with guidance in legal , academic , social and financial areas by our team. And we teach students how to use the most important used apps in Russia like : 2GIS , Yandex Navigator , VK , Sber Bank Online , etc... . and we guide our students to gain study Visa and traveling regulations in airports.

**C: After arrival support :** We give our students all required support and follow up since they arrive at Russian airports by variety of services and ways of support like :

- Airport Pick-up and drop-off in University dorms, Contracting with University and Dorms.
- Making medical check and insurance , all legal registrations and Visa extending.
- Getting Russian SIM card & internet , opening bank account , Transportation card.
- Making a city tour to guide our students to the most frequent places they would need to visit like : banks , Malls , University buildings , dorms , shops , pharmacies and entertainment spots.
- keep in touch with our students and following up by our team in Office and representatives in different Russian Cities and giving them any required support.
